INDUSTRY DEPT.: There's room for a textile mill here—right up at The Daily Register office. We've got to have a mill to take care of our cotton or create a soil bank to cut down on its production.

You remember, a few days ago some cotton was brought into the office and it's still here, in all its white glory, hanging across a coat hanger in the editorial department and drawing comments from persons who come in.

Then last week Armada Houston brought in one of a couple of plants she's raised down at 308 North Gum street. It was brought to the office in a can filled with dirt and it looked a lot like a Christmas tree filled up with popcorn balls.

This latest bit of cotton was first year it was planted at the Houston place.

STATISTICS: I have some figures before me on voting and accidents.

One is a release from Secretary of State Charles F. Carpenter which estimates the total registration for voting in Illinois this year at 5,217,858, a decrease of 85,663 from the general election of 1952. The decrease is 134,671 in Cook county, against an increase of 49,008.

Carpenter estimates the registration by county and sets the Saline county figure at 23,000 voters. The estimates for nearby counties: Franklin 35,000, Gallatin 6,000, Williamson 34,000, Hamilton 7,000, Hardin 4,000, Jefferson 33,000, Massac 8,500, Pope 3,833, Johnson 5,500, Pulaski 8,000, Union 14,000, Jackson 27,800, and White 13,000.

The other statistics deal with traffic accidents, injuries and fatalities by counties for the first half of 1956, compared with the first half of 1955.

We might as well get to Saline county first.

First half of 1956 saw 115 accidents in the county, with five persons killed and 78 persons injured. This ran pretty well along with the 1955 figures for the county: Six persons killed, 111 accidents, 72 injuries.

Here are the figures for nearby counties for the first half of the two years:

Gallatin: 1956 — 41 accidents, none killed, 16 hurt. 1955 — 22 accidents, one killed, 16 hurt. (Note: There have been four recent fatalities in Gallatin county traffic accidents).

Hamilton: 1956 — 42 accidents, five killed, 37 injured. 1955 — 41 accidents, two killed, 29 injured.

Hardin: 1956 — 25 accidents, two killed, 18 hurt. 1955 — 28 accidents, three killed, 23 hurt.

Johnson: 1956 — 47 accidents, three killed, 28 hurt. 1955 — 44 accidents, four killed, 32 hurt.

Pope: 1956 — 22 accidents, one killed, 17 hurt. 1955 — 14 accidents, none killed, 15 hurt.

Massac: 1956 — 79 accidents, one killed, 36 hurt. 1955 — 74 accidents, none killed, 39 hurt.

Williamson: 1956 — 256 accidents, three killed, 153 injured. 1955 — 211 accidents, seven killed, 131 injured.

Seven Killed, 119 Hurt on Area Highways During September

DU QUOIN, Ill. — Seven persons died and 119 were injured on southern Illinois highways during September.

Two were killed in Hamilton county and one each in Franklin, Jackson, Jefferson, Johnson and Perry counties.

The toll compared to 13 fatalities in August and 16 in September, 1955.

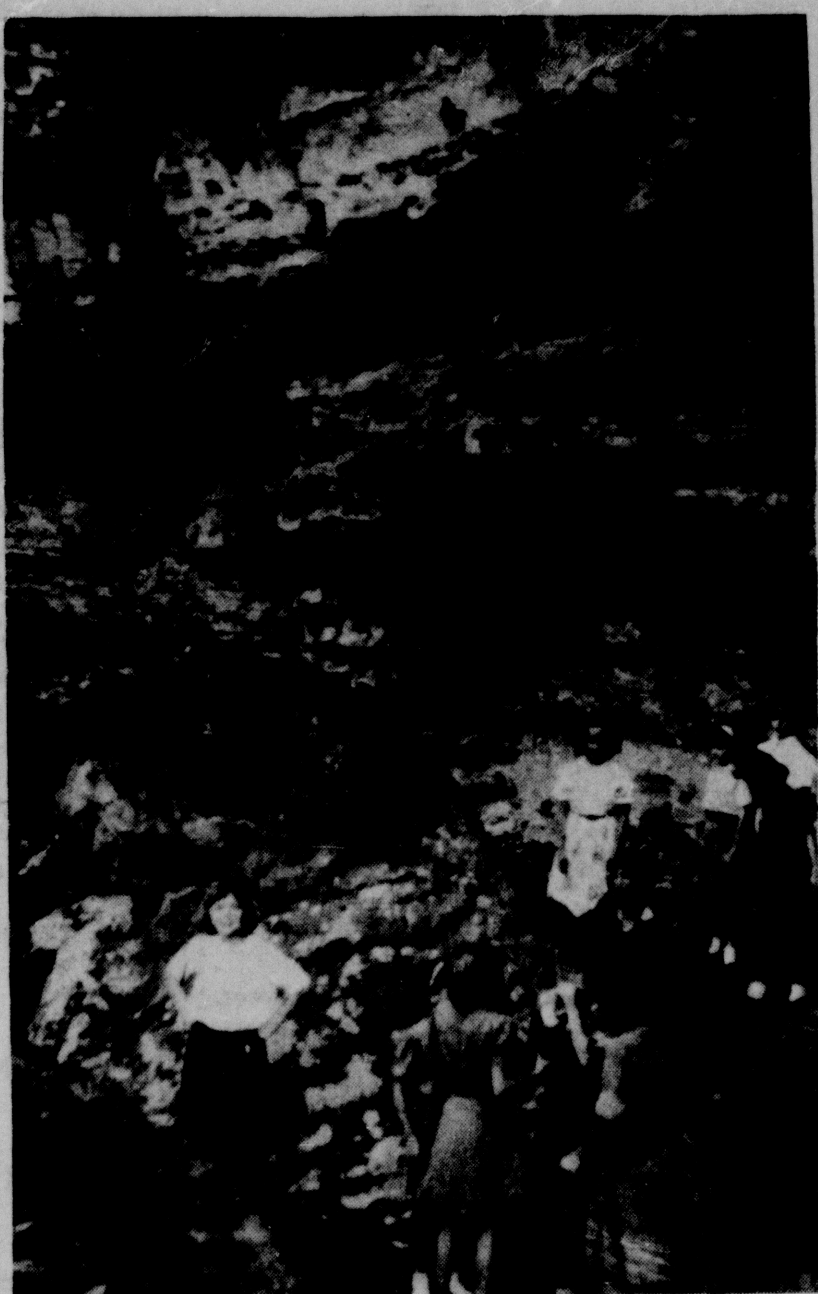

State Police District 13, embracing 17 southern Illinois counties, investigated 122 accidents last month. Patrolmen made 683 arrests—including 275 for speeding, 130 for improper passing and 133 for disregarding stop signs.

Oil Firm Builds Office Building at Carmi

CARMI, Ill. — Continental Oil Co. will move its offices here from Griffin, Ind., when its new eight room office building here is completed. A contract has been awarded to A. E. (Jack) Griffith to construct the building. The move will bring about 13 families here from Griffin.

Three Organized Tours of Southern Illinois Areas Held Over Week End

Southern Illinois' beauty lands were visited over the week end by three organized tours.

Saturday morning Dr. George Wilson of the Illinois State Geological Survey led an earth science field trip of 20 cars of teachers, students and other interested persons in learning more about rock structure in the history of the Mississippi valley.

Saturday afternoon 250 Girl Scouts, the fifth such group of the year from the East St. Louis area to visit southern Illinois, saw Giant City park and other places of interest.

Sunday, Wayman Presley of Makanda led a caravan of 29 cars on a comprehensive tour.

The Sunday tour was made in spite of muddy roads from a Saturday night rain and a light drizzle that continued through Sunday noon.

Explored were the spots of the pre-historic Indian of Cave Hollow, the grapevine trail past the steep hill "where the cow fell out of the pasture," the Skyline Drive above Pine Hills and on to Grand Tower.

A picnic lunch and Sabbath observance were held at the Jonesboro tree nursery.

On the earth science trip Saturday morning the students saw rock structures which, it was estimated, were formed 400 million years ago.

Near Thebes, fossils of the Sunflower coral and other early living creatures of the sea were found.

Awarded Contract

The J. D. Barter Construction Co. of Harrisburg and the Howell Construction Co. of Carbondale have been awarded an \$82,007 contract to construct a three-span I-beam bridge over Alcorn creek two miles west of Hamlettsburg and for 40 mile of gravel or crushed stone surface course on Federal Aid Secondary Route 1930, both in Pope county.

The meeting was attended by Dr. B. E. Montgomery, Dr. Warren Tuttle, Dr. R. V. Ferrell, Dr. N. A. Thompson, Phillips Nyberg, Jack Metten and the following board members: Alfred Adams, chapter chairman; Russell Malan, acting blood program chairman; Mrs. Kenneth Capel, chapter secretary; Richard Davenport, chapter treasurer; John Murphy, Junior Red Cross chairman; Louie Beltz, first aid and water safety chairman; Mrs. B. E. Montgomery, blood recruitment chairman; Mrs. Warren Tuttle, service groups chairman; Mrs. Nelle Meyers, home service chairman; Mrs. W. W. Chunn, public information chairman; Mrs. Seafair Thompson, disaster nurse vice chairman; Mrs. Helen Beltz, executive secretary; and the following members of the executive committee: Bruce Polk, Bruce Burnett and J. Ward Barnes.

Bruce Burnett expressed the feeling of the entire group when he thanked the doctors and hospital authorities for their wonderful cooperation and concern for the welfare of the people of Saline county.

Russell Malan, acting blood program chairman, urges everyone physically able to give blood to show their appreciation on Nov. 15 and 16 by being a blood donor.

The hospital authorities in the four hospitals in Saline county agreed to back the new plan and also back the chapter financially until the chapter has sufficient funds to assume payment of the chapter's proportionate share of the cost of the program. As a result of this decision, the chapter board voted to remain in the program.

Rayburn Accuses Eisenhower of Hasty Action

Charges President Refuses to Help Save World from A-Death

WASHINGTON — Speaker Sam Rayburn charged today that President Eisenhower is refusing to help save the world from atomic death.

The Texas Democrat leveled the charge in a statement endorsing Adlai E. Stevenson's proposal that the United States take the lead in seeking an end to H-bomb tests.

Rayburn, like Stevenson, accused Mr. Eisenhower of acting too hastily in rejecting Soviet Premier Nikolai A. Bulganin's offer of last Friday to negotiate on halting H-bomb tests.

"The real issue," Rayburn said, "is not whether the Russians sought to interfere in our political debate" with their proposal, as Mr. Eisenhower charged.

"The real issue is how we can find a way to save the world from atomic death," Rayburn said. "Mr. Eisenhower owes it to his country to address himself to that issue."

Stevenson used a similar line in attacking Mr. Eisenhower's rejection of the Bulganin offer.

He said Monday he shared Mr. Eisenhower's "resentment" at Bulganin for making his offer in the midst of the political campaign. But he said he regards the President's reply to Bulganin "unfortunate" when viewed "not from the standpoint of politics, but of peace."

The real issue, Stevenson said, "is not Bulganin's manners or Russian views about American politics. The real issue is what are we going to do to save the world from hydrogen disaster."

Mr. Eisenhower has maintained there can be no effective ban on nuclear tests until there is an agreement on an arms inspection system — a plan the Russians steadfastly oppose.

Former Gov. Thomas E. Dewey of New York backed up Mr. Eisenhower Monday night. He said that if Russia broke a ban on such tests, she would have an 8-to-14 month lead over this country because it would take that long for the United States to get ready to resume its own tests.

Douglas to Speak Here Wednesday

U. S. Senator Paul Douglas

Two political rallies, with U. S. Senator Paul Douglas and Congressman Kenneth Gray the featured speakers, will be held in Saline county Wednesday.

At 1:30 Wednesday afternoon a meeting will be held in Harrisburg at the court house and at 3 p. m. there will be a Democratic speaking and rally in downtown Eldorado.

Senator Douglas, not up for election as he was re-elected only two years ago, has been touring the state of Illinois for the past several weeks in behalf of the Democratic ticket and during the next week will continue to tour southern and eastern Illinois.

Senator Douglas and Congressman Gray introduced a bill in the last session of the United States congress to aid depressed areas, but it failed to become law.

Senator Douglas has pledged to re-introduce the bill and is urging the reelection of Congressman Gray to help in getting the bill passed.

Mrs. Douglas has been travelling with Sen. Douglas on his speaking tour, but was injured in an automobile accident last Friday near Wood River and it is not known if she will make the trip to Harrisburg.

Pope County to Undertake Community Development Project

GOLCONDA, Ill. — The first county-wide effort of Southern Illinois University's department of community development will be undertaken in Pope county.

Since 1953, the department has been aiding 11 development efforts.

Millard Farmer, superintendent of the Pope county department of welfare, has been named temporary chairman of the development group.

Lions Governor Urges Service To Community

"Service to your community is the only right for a Lions club to exist," members of the Harrisburg Lions club were told Monday night by Howard W. Lee, Governor of District 1-C, Lions International.

Mr. Lee, who is a resident of Du Quoin, made an official visit to the Harrisburg Lions club last night and in a short address urged the membership to keep busy at worthwhile community projects.

"Lions are Doers," Gov. Lee declared and urged not only activity in special projects, but activity in citizenship.

On the theme of citizenship, all Lions were urged to worship in the church of their choice and be active in church life. And Lions were also urged to take an active part in elections not on a partisan basis, but to get out the vote.

"Be active in all elections, be it a national election or a school district election. All are important and we should practice our rights as American citizens by casting our ballot and encouraging others to vote," Lee told his audience.

Gov. Lee listed three goals he had set for the district during his term of office: 1. Ten per cent increase in membership; 2. Organization of ten new clubs; 3. Average attendance throughout the district of 85 per cent or more.

The Harrisburg club observed its quarterly Ladies' Night and Gov. Lee was accompanied to Harrisburg by Mrs. Lee, Deputy District Governor, Glenn Muckley of Eldorado, and Mrs. Muckley, also were guests of the local club Monday evening.

Charged with Theft

R. J. Johnson of Carrier Mills yesterday was charged with petit larceny in a county court information, being charged with stealing an electric iron and a portable radio belonging to Herlia Morse Johnson in the county jail.

Hungary May be Next to Break Ties

EDITOR'S NOTE: The re-emergence of Wladyslaw Gomułka as Polish Communist leader immediately raises the question of possible changes in other Soviet satellite countries. This dispatch by a United Press expert gives a roll call of the countries concerned, and the situation in them as of now.

By RUSSELL JONES
United Press Staff Correspondent

FRANKFURT, Germany (U.P.) — "Stalinists"—men who still support Soviet Russian domination — are still hanging on grimly to leadership in most of the East European satellite countries.

Hungary seems likely to be the first to follow the path toward "Titoism" — independent communism — which Poland has taken.

Romania remains Stalinist so far. But a delegation of Romanians is in Belgrade now talking over the situation with President Tito of Yugoslavia.

This seems to be the line-up at the moment:

East Germany: Stalinist; seem firmly in control. Walter Ulbricht, vice premier and real East German

U. S. to Refrain from Offering Aid to Poland until Poles Ask for Assistance

WASHINGTON — The United States will refrain from offering aid to Poland in her battle for independence from Russia until the Poles themselves seek assistance.

Officials said a premature aid offer on the part of the United States might irritate Poland and prompt her to charge this country with meddling in Polish internal affairs.

But officials said that when and if a Polish request for help does come, the United States probably would look favorably on it unless it was a call for armed help. Secretary of State John Foster Dulles warned Sunday that sending U. S. troops to Poland likely would set off World War III.

Seek Aid
A group of Polish-American leaders called on Dulles Monday to give "the Polish government all assistance possible short of troops."

"Now is the auspicious time for the United States to seize the opportunity to press immediately be-

fore the United Nations for the withdrawal of Soviet troops from Poland," Charles Rozmarek, president of the Polish National Alliance and Polish American Congress, said.

He also said the United States should offer Poland food and technical assistance.

Cite Warsaw Pact
But American officials were not inclined to take the initiative in either offering aid or going to the United Nations.

They said they saw little ground for going to the United Nations to demand withdrawal of Russian troops from Poland. They explained that the Warsaw Pact among Iron Curtain nations gives the Soviet Union the right to station troops in Poland and other Communist nations.

They said there might be grounds for charging Russia with violating human rights and freedoms in the U. N. But none seemed to be thinking seriously of moving along that course at present.

Water to Be Turned Off in Downtown Area For A While Tonight

Water will be turned off in a part of the Harrisburg downtown area for approximately two hours tonight to accomplish some necessary repair work, Amos Doorn, water superintendent stated this morning.

At 7:30 p. m. the water will be off on Main street from Lincoln to the square and on Church street from Main to Jackson streets.

It is thought the work will be completed in about 2 hours, Doorn said.

Lentz New Head Of Southern Illinois Historical Society

CARBONDALE, Ill. — Eli G. Lentz, Carbondale, Southern Illinois University emeritus history professor, is the newly elected president of the Southern Illinois Historical Society, succeeding Louis Aaron, Harrisburg.

Other officers elected during the organization's fall meeting at SIU Friday are: Mrs. L. O. Trigg, Eldorado, vice president; John Clifford, SIU social science librarian, secretary-treasurer; E. M. Stollard, Marion, archivist; and three directors: Charles C. Feirich, Metropolis; Arch Voight, Du Quoin, and J. M. Pomeroy, Carmi.

The Society members passed a resolution supporting a move for the restoration of old Fort De fiance, a Civil War fort at Cairo. The group also voted to loan its collection of the General Lawler papers to the SIU library.

George W. Risley, 83, Of Ridgway Dies

George W. Risley, 83-year-old resident of Ridgway, died at 6 p. m. Monday at the Pearce hospital in Eldorado.

He is survived by his wife, Pearl; two daughters, Mrs. Mary Lou Mobley of New Haven and Mrs. Helen Ruth Scroggins of Florida, and a son, Sam Risley of Ridgway.

The body has been received by the Cox funeral home, Ridgway. Funeral plans are incomplete.

More Vessels Arrive
"Two or three" Soviet war vessels were reported off Gdansk Monday but reports said there were 20 vessels off the city today.

Appearance of the vessels already had brought panic to residents of the area despite Soviet assurances the ships were there on "routine maneuvers."

Reports from Moscow that Russia had "recognized" the new Communist leadership of Wladyslaw Gomułka was believed based on Poland's agreement to retain pro-Russian Marshal Konstantin Rokossovsky as defense minister.

The 17 additional Soviet vessels apparently arrived during the night—some 24 hours after the demolition of Rokossovsky from the Polish Communist Party Politburo, or party leadership. But Monday night he was seen in a jovial mood drinking with Yugoslav officials at a gala reception.

Few Details on Incidents
The official Warsaw Radio broadcast gave few details of the new "incidents" but it said, "The working class and the population of Wroclaw has recognized to whom such incidents can bring advantages and condemns them with indignation."

Reports reaching London said thousands of Polish students paraded through the streets of Wroclaw (formerly Breslau) in an anti-Russian demonstration.

The reports said the students chanted "Long live free Poland" and shouted "Rokossovsky go home" and "Rokossovsky to Siberia."

The retention of Rokossovsky as defense minister was reported the price of Soviet recognition of Wladyslaw Gomułka's rise to power in Poland.

John 5:17.
Those who hoard wealth so their
children need not work defeat
their children. They destroy
the children. There is abun-

Poll of Editors Brings Penetrating Comments

By PETER EDSON

WASHINGTON — (NEA) —
How the 1956 campaign looks at
local and grass roots levels can
be gauged by reports from U. S.
daily newspaper editors. Answering
a poll on election trends con-
ducted among the 700 editors who
receive this column through NEA
Service, the editors volunteered
many shrewd observations.

The representative sampling
given below is from eastern, mid-
western and west coast papers.
Opinions from southern editors —
worthy of a separate study be-
cause of their variances—will be
printed in a later column.

"Poetic justice would be served
if the Democrats won the elec-
tion . . . Their financial fallacies
got us into this mess . . . It would
serve them right if they were in
power when we suffer the im-
minent economic crash that will
make 1929 look like a Jack and Jill
tumble." — William H. Heath,
Haverhill, Mass. Gazette.

"Foreign policy may confuse
some Americans. But it appar-
ently keeps the enemy off bal-
ance, too." — William J. Woods,
Utica, N. Y., Observer-Dispatch.

"COGENT ISSUES vary in dif-
ferent sections. But generally
higher wages can't catch up with
living costs." — C. E. Smith, Fair-
mont, W. Va., Times.

"Important to this election is
the need to overhaul the Rehabil-
can party. It cannot successfully
combat the Democratic party
much longer." — Nixon isn't the
answer." — Paul H. Chalfant,
Waukesha, Pa., Record-Herald.

"Despite Adlai's talents, I don't
think he can destroy the hero
father image." — Tom Percy,
Columbia, Ohio, Daily Standard.

"I see no reason for going back
to a Democratic war economy." —
Vic Sherow, Gallipolis, Ohio, Trib-
une.

"I'm picking the again, but his
age, health and the GOP's appar-
ent horn-blowing with labor lead
ers are making me wonder." —
William Jackson Peru, Ind.,
Daily Tribune.

"I think Russia changed its
course because the convinced Rus-
sian leaders (at Geneva) that we
were in NATO and had bases on
advancing Russia for defensive ra-
ther than offensive purposes." —
Joe H. Nixon, Wabash, Ind., Plain
Dealer.

Harvest \$1,663

Corn from 'God's Acres' Project

Lebanon Cumberland Presbyter-
ian church near Galatia, harvested
corn the value of which totalled
\$1,663.45 off of 35 acres of ground
set aside by the members and ded-
icated for use by the church as
"God's Acres."

This project was carried out to
finish paying for a new church
basement and the goal was achiev-

ed with the harvest of the corn last
Thursday. Twenty-four men of the
church brought their tractors, corn
pickers, etc., and worked together
to finish the harvest.

Besides the money from the corn
harvest some cash contributions
were received and Mrs. Mabel
Russell made extra additional con-
tributions. The Rev. John Aud,
Norris City, is pastor of the church,
which has an enrollment of around
a half hundred people.
Men contributing their labor and

equipment to plant, tend and har-
vest "God's Acres" included the
following: Reggie Patterson, Billy
Jones, Clyde Jones, Wiley Keye,
Coin Garrison, Lloyd Cotter, Olen
Williams, Ed Jones, Noah Ander-

IN ACTION

365 days a year the Merchants listed below are going
to assist your Churches, Clubs, and Organizations in raising
needed extra money.

Church Stamps will be given by these Merchants to all
who trade with them. When a book is filled with Church
Stamps it is worth \$2.00 in cash to any of the following
groups: Churches of all denominations, Church Organi-
zations, Local and National Charity Drives, 4 H Clubs, Girl
and Boy Scout Troops, P. T. A., any recognized Club, Lodge,
or Organization. Look for this sign and patronize the Mer-
chants who are extending a helping hand.

THE HARKER MILEY INSURANCE AGENCY is agent for the Insurance
Company of North America, and we write the Homeowner's Policy in
our office. It is a package policy covering everything on the home, add-
ing to the fire and wind coverage liability, holdup theft, an amount on
losses off the premises, and other things, including without additional
charge television antenna against wind, vandalism, and malicious mis-
chief.

The premium is considerably less than the total premium for these cov-
erages in several regular policies, and very little more than a fire and
windstorm policy . . . in some cases no more. The Insurance Company of
North America is the largest and oldest fire company and they made the
original filing on the Homeowner's Policy. Their rate is less than any
other company's.

Mrs. Rosa Wright Hostess
To Liberty Home Bureau

The Liberty Home Bureau unit met Friday afternoon at the home of Mrs. Rosa Wright with eight members and five visitors present.

The meeting was opened with prayer led by Mrs. Lillie Allen. Roll call was answered by stating "the month I prefer to be hostess." Minutes were read and approved and the vice chairman gave her report.

The minor topic on "Discipline" was given by Mrs. Barbara Rice, and the major lesson on "Fibers, Fabrics and Finishes" was given by Mrs. Naomi Didley and Lellie Gibbs.

Refreshments were served to the above mentioned and the following: Mrs. Willie Hendren, Mrs. Betty Kielhofn, Mrs. Natalie Wright, Mrs. Helen Roberts, Mrs. Ola Maszaros, Mrs. Marvella Sutton, Mrs. Belle Gibbs and Mrs. Judith Healy.

Liberty W. M. S. Royal Service Program

The Liberty Baptist W. M. S. met at the home of Mrs. Esco Horton for the October Royal Service program. Mrs. Kenneth Roberts presided during the business session.

The hymn, "The Kingdom is Coming," was sung by the group. Prayer was led by Mrs. L. B. Malone.

Mrs. Elbert Langford, community missions chairman, reported 13 visits, two phone calls and nine cards by members this month. Mrs. Langford also reported plans underway for a Sunbeam Band and girl's auxiliary in the church and that a Y. W. A. had been organized in a neighboring church.

Mrs. Woodrow Owen was in charge of the program and devotion periods. Mrs. Harry Powell and Mrs. Kenneth Roberts presented a playlet introducing the watchword for the year, Habakkuk 2:14.

The lesson, "Sowing Beside All Waters," was given by Mrs. Elbert Langford, Mrs. Willie Hendren, Mrs. Paul Frick and Mrs. Lela Gibbs. Dismissal prayer was led by Mrs. Horton.

Chicken sandwiches, cup cakes, and cold drinks were served by the hostess at the close of the meeting.

Miss Barbara Alvey, Bernie Farris Wed at Cottage Grove Church

Mr. and Mrs. Bernie Farris

The Cottage Grove Methodist church near Eldorado was the scene of a beautiful fall wedding Saturday evening, Sept. 29, at eight o'clock, when Miss Barbara Alvey, daughter of Mr. and Mrs. Raymond Alvey of Harrisburg, became the bride of Bernie Farris, son of Mr. and Mrs. Wilburn Farris of Ridgway.

Preceding the impressive double ring ceremony, which was performed by the Rev. W. R. Warner of Johnston City before an altar bedecked with yellow chrysanthemum and lighted candelabra, bridal airs were played by Miss Margaret Farris of Ridgway, sister of the bridegroom.

The bride, given in marriage by her father, was lovely in a princess style dress of white lace over satin, designed with V-neckline, cap sleeves, and full skirt. She wore matching lace mitts, a shoulder length veil of illusion net, and carried pink rosebuds and sprays of lily-of-the-valley on a white Bible. Her only jewelry was a single strand of pearls, gift of the bridegroom.

Mrs. Retha Kohl of Alton, matron of honor, was attired in a sky blue sheath dress of brocade taffeta, graced by a shoulder corsage of white carnations.

The mother of the bride chose for the occasion a brown linen dress with matching jacket, brown accessories, and a corsage of yellow carnations.

Ushers were John Edd Alvey of Eldorado, the bride's brother, and John Berry of Harrisburg. Best man was Keith Sanders of Omaha.

Following the ceremony a reception was held in the home of the bride's parents where punch and a three-tiered wedding cake, topped with miniature bride and groom, were served. Hostesses were Miss Melissa Farris of Ridgway, the bridegroom's sister, Mrs. Dorothy Alvey and Mrs. Genevieve Alvey of Eldorado, sisters-in-law of the bride, and Mrs. Retha Kohl of Alton. Mrs. Ruthella Hayden of Sandoval, the bride's sister, was in charge of the guest book.

The new Mrs. Farris is a graduate of the Harrisburg Township high school with the class of '54 and formerly was employed as bookkeeper at the Harrisburg National bank.

Mr. Farris, an associate in his father's business, is presently employed in Evansville, Ind., where they are temporarily making their home at 3017 Broadway.

Out-of-town guests included Mr. and Mrs. Charles E. Bates of Evansville, Mr. and Mrs. J. F. Payne of Chicago, Mr. and Mrs. J. C. Payne of Peoria, Miss Blanche Payne and Annie Spencer of Wyandotte, Mich., Mrs. Margaret Ellis, Miss Mary Payne, and Miss Gusta Patton of Shawneetown, Mrs. Lawrence Hayden and sons of Sandoval, and Mr. and Mrs. Bob Kohl of Alton.

Week end guests of Mr. and Mrs. John A. Dunn were Mr. and Mrs. Donovan Langford Jr. and children, Donovan III, Carol Ann and Kent of Indianapolis, Ind., and Mr. and Mrs. Delmar Kallenbach and daughters, Cheryl Ann and Emilie Jo, of Evansville, Ind. Mrs. Langford and Mrs. Kallenbach are daughters of Mr. and Mrs. Dunn.

Everybody Welcome

THE PROMISES GOV. STRATTON MADE HAVE BEEN KEPT!

BETTER SCHOOLS:

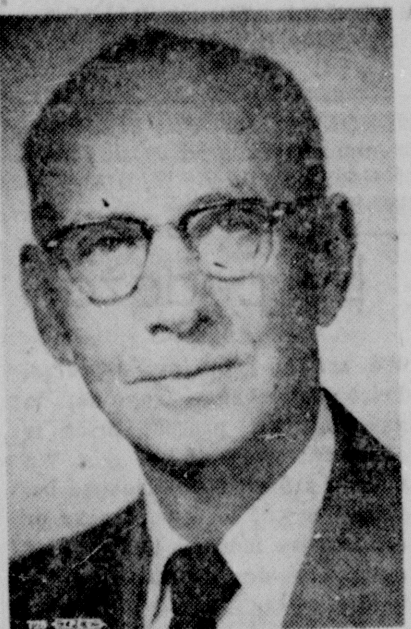

Under Governor Stratton's leadership, the state funds for educational purposes have been increased tremendously. Illinois now spends more than \$1,000,000 EVERY SCHOOL DAY. As a result: better salaries for school teachers; more modern schools and classrooms; broader fields of educational opportunity; increased transportation to centers of education; an Illinois teachers' retirement system, rated as one of the best in the country — ALL THESE IMPROVEMENTS HAVE BEEN MADE UNDER THE ADMINISTRATION OF GOVERNOR WILLIAM G. STRATTON!

The delicious flavor difference in Folger's is

Mountain Grown Coffee!

You taste it in every steaming cup—the unusually rich, tangy flavor of nature's choicest coffee. For that's what Folger's is... a unique and individual blend of naturally more flavorful Mountain-Grown coffees!

Experts agree that these rare mountain coffees, grown in remote regions where there is an abundance of fertile volcanic soil, warm tropic rain, and year-round sunlight, have the most satisfying tang and flavor of any coffee known today.

And you will agree that the rewarding flavor and fragrance you discover in Folger's is the finest you have ever enjoyed. Distinctively rich. Unusually tangy. Unmistakably Folger's—the Mountain-Grown coffee!

So much richer in flavor that you are urged to use 1/4 less than with lesser flavored brands.

OBITUARY

DEATH TAKES HUGH CLARY IN LONG BEACH, CALIF.

Hugh Clary, well known by many friends from childhood, as he was born and reared in Harrisburg, died Oct. 18th. He was 52 years old. He served as deputy sheriff of Saline county at one time, and chief of police in 1932. He was married to Miss Vivian Sharp, daughter of Mr. and Mrs. Morris Sharp. At that time the Sharps resided in Harrisburg. Mr. Sharp was connected with the Peabody Coal company.

Before leaving Illinois Hugh conducted a business of his own, a general store and filling stations on Route 34, near Elizabethtown, and his wife taught school at Elizabethtown and Rosiclare.

After going to Long Beach, Calif., Hugh and his wife became real estate brokers until ill health took Hugh's life. He was a member of the First Baptist church of Harrisburg. His wife, coming from the Christian church, was baptized with her husband into the fellowship of the Baptist church. Hugh was a member of the Masonic lodge of Elizabethtown, and Mrs. Clary took quite an active part in the Eastern Star lodge. They have one daughter, Jean, who is married and has two little daughters, and one son, Hugh Morris, at home, who graduated from high school last June. Sadly missed by all. 99-1

The hospital! The big white dome rose sharply above the wreckage of surrounding buildings. Floodlights illuminated the structure so that it stood out clearly through the shifting smoke, a beacon for the injured, a shaft of light tinted red by the distant firestorm. Still the latter thundered into the air, crimson, looming high above the city. But it was several miles distant, and John felt only the strong wind still racing in to answer the vacuum's call of the storm's center.

Several hundred men and dozens of vehicles in a mass road-clearing project blocked one side of the avenue, hacking away at heavy debris. Shovels and picks clanged against brick and asphalt; the ground shook from the clanking treads of bulldozers and power shovels.

"Hey! Hey you, over there!" John turned; a policeman waved his arm, beckoning at somebody near him. He kept walking.

"Hey! Can't you hear? You, in the green jacket!"

It was he. What could the cop want from him? He stopped, turned around. The officer walked up, stopped before John.

"Where you going?"

The civil-defense messenger story worked before. "To that hospital," John pointed. "I'm supposed to deliver a message to the CD office."

The officer stared at him, openly skeptical. "Where's your identification? Let me see your card."

"Why, I don't have it with me. I must have lost it somewhere tonight."

"All right, where's the message?"

Alarm swept through John. Why was he being questioned like this? What was wrong? "W-why, r-right here," he stammered in confusion, "I—I have it right here, in my jacket."

The police officer stood like granite. "I'm waiting."

John went through the motions of searching his pockets. His eyes widened as, apparently, he discovered the message to be lost. "I—I—uh, seem to have lost it," he complained. "I don't understand it. I had it right here in my pocket before."

"What's your name; where you coming from?"

"Thompson. I told you I was delivering a message. I just came from Roosevelt Hospital."

Another officer joined them. "What's going on, Bob?" he queried.

"This guy is giving me a cock-and-bull story about being a CD messenger," replied the first policeman. "First, he ain't got any armband or ID card; then he can't produce the message. Says he lost it. It's a line. He's no CD messenger, just a goof-off."

The two policemen stared beligerently at him. "All right," one said, "you were asked what you were doing out here. You ain't no CD messenger. You know it and we know it. You're a liar. I don't know why and I don't care why. But we got use for bodies. And mister, you're going to work. Right now," he added with emphasis.

"Just what I said. There's a lot of road-clearing to do, and they need people to carry fire hoses. Lots of other things, too." He looked at John in disgust. "While everybody else is breaking their backs, people like you run around, not doing a thing. Well, mister, you're coming with us. You're going into a labor battalion."

Noon Dow-Jones averages: Industrials 484.97, off 0.30; rails 161.22, off 0.84; utilities 65.76, off 0.05, and 65 stocks 171.76, off 0.30.

Tito, Hungarian Leaders Agree To Closer Ties

BELGRADE — Yugoslav President Tito and the Communist leaders of neighboring Hungary agreed today on close cooperation to "prevent the repetition of past mistakes which inflicted serious harm upon the workers movement."
But, in a long communique issued after two weeks of talks, they took no note of the past weekend's upheaval in Poland and the reaction to these events in Hungary itself.
Tito joined Hungarian Communist Party First Secretary Ernoe Geroc and Premier Andras Hegedues in promising to promote closer ties between their two nations' Communist parties.

Pleads Guilty In Acid Case

NEW YORK — Joseph Carlino, named as a co-conspirator in the acid-blinding of labor columnist Victor Riesel, Monday night hastily changed his plea from innocent to guilty in the presence of a silent cell-mate and fellow defendant.
Carlino and seven others, including notorious hoodlum Johnny (Dio) Dioguardia, are accused of plotting the attack which blinded Riesel on a mid-town Manhattan street before dawn last April 5.
Carlino, 43, changed his plea before Federal Judge Frederick Van Pelt Bryan. In a 10-minute hearing, Bryan set Nov. 9 as sentencing date—the same day trial is scheduled to begin for the seven others.
Neither Carlino, assistant U. S. District Attorney Arthur Christy nor Carlino's lawyer, Bernard Moldow of the Legal Aid Society, would say why the plea was changed. It was believed, however, that Carlino changed his plea to turn state's witness.

French Seize Rebel Leaders

PARIS — Moslem youths demonstrated in Tunis and Casablanca today against the dramatic midnight seizure of five Algerian rebel leaders snatched from their airplane while en route to a "peace conference" in Tunis.
North African fury boiled into violence over the Algerian situation even as a government spokesman here announced that France would accuse Egypt in the United Nations Security Council of supplying arms to the rebels.
The plane carrying the rebel leaders was en route from Morocco to Tunis by a circuitous route when it was ordered diverted to Algeria in a cloak-and-dagger, middle-of-the-night operation.

Candidate Bolts Democratic Party

JACKSON, Miss. — Rep. John Bell Williams of Mississippi looked to fellow southern congressmen today to defend him from possible Democratic Party retaliation for bolting to the State's Rights Party and abandoning Adlai Stevenson.
Williams in a television broadcast Monday night announced his bolt because of the Democrats' civil rights stand. He said he expected southern colleagues to protect him from party disciplinary action.

VISITOR HERE last week was M. M. Singh from India, a mining engineering student at the University of Illinois. He was one of 11 graduate students who inspected the Sahara Coal Co. properties from the state university under the direction of Prof. George R. Eadie, a former Eldorado resident. It was learned that Singh wears the turban, which is five yards long, at all times when he is among people because he is adherent of Sikhism, which involves belief in one God, prohibits idolatry, abolishes caste and refuses to recognize Brahmanical supremacy. The coal company personnel took the group underground and through its strip mine and entertained the students with a buffet dinner. (Foster Studio Photo)

melted from the Wisconsin Glacier that extended as far south as Shelbyville. This revealed that the Mississippi river was five miles wide, flowing east of Grand Tower and Fountain Bluff and west into Missouri below Thebes. The great force of this rushing flood carrying huge boulders, it was pointed out, cut a new channel of the Mississippi along the present route toward Cairo and moved the Ohio river southward from the old bed along the Cache river valley.
The 250 Girl Scouts brought to 900 the total number who have been introduced to the cultural and scenic attractions of southern Illinois.
This tour was sponsored by Dr. William J. Tudor and Rex Karnes of Southern Illinois university, assisted by Southern Illinois, Incorporated. Guides who assisted were Louis Aaron and William H. Farley of Harrisburg, Geoffrey Hughes, Wayman Presley, D. Purdy and Arch Voigt.

Ike to Undergo 'Head to Toe' Physical Exam

WASHINGTON — President Eisenhower this weekend will undergo the "head to toe" physical examination that he promised to have before election day.

The White House said results of the examination will be released at the latest on Monday — eight days before the voters go to the polls.
White House Press Secretary James C. Hagerty announced Monday the President will enter Walter Reed Army Medical Center Saturday and remain overnight while undergoing the "head to toe" check up.
Hagerty said the President felt "fine" after his five-day campaign swing to the West Coast last week.

The President today continued to press his re-election campaign. He prepared to release this afternoon a special reply to Democratic Stevenson's proposal to halt H. Craig Presidential nominee Adlai Stevenson's celebration of the AFL-CIO Carpenters Union at the Sheraton-Park Hotel here. The talk will not be broadcast.
The President will be interviewed Wednesday by a panel of GOP women in an afternoon television appearance. He will speak at Madison Square Garden in New York Thursday night.

Mother Leaves For London to Fight for Daughter

NEW YORK — Mrs. Helena Dieczok, 24-year old immigrant mother, said today she will enter a court fight in London to bring her 2-year old daughter Tanya "back to America" instead of letting the child's father take her to Russia.
Mrs. Dieczok, whose daughter was whisked out of the United States by her father, Alexis Chwastov, three weeks ago, planned to leave for London today.
Tanya was born to Mrs. Dieczok and Chwastov out of wedlock. Later Mrs. Dieczok married her present husband, George Dieczok.
Chwastov, 59, spirited the little girl out of the country and took refuge in the Russian embassy in London. He was served with a court writ ordering a custody hearing while he was on board a Russian ship preparing to leave Britain for the U.S.S.R. last Oct. 12.

Explosion Rips Rural School

SHERMAN, Tex. — An explosion ripped the second floor of the Southmayd rural school today, killing the custodian and injuring three students.

E. L. Dinwoodie, the custodian, was killed and Larry McGee, 16, a junior student, was injured critically. Less seriously hurt were H. L. Richardson and Harold Waw.

Louis Kaufman Rites At Ridgway Wednesday

Funeral services for Louis Kaufman, 49, former Ridgway man who died at his home in Herrin Sunday evening, will be held in Ridgway Wednesday at 10 a. m.

The body is at the Smith and Edwards funeral home, Ridgway, where services will be conducted Wednesday by Rev. Joe Harris, pastor of the Ridgway Methodist church.
Burial will be at the Jackson cemetery, near Ridgway.

Postpone Auction of Hodge Hotel For Lack of \$550,000 Bidder

CHICAGO (AP) — The auction of imprisoned State Auditor Orville E. Hodge's lavish Esquire Hotel, in Fort Lauderdale, Fla., has been postponed for lack of a \$550,000 bidder, while authorities pondered the possibility that Hodge had some of his loot.

Special Asst. Atty. Gen. Albert E. Jenner said Monday, during a dramatic Circuit Court setting of the auction, that experts have been unable to trace some of the money Hodge stole from the state of Illinois to its "ultimate resting place."
"It's entirely possible," said Jenner, "that Hodge has hidden it some place or that it has wound up in someone's grimy paws." Jenner said the untraceable amount could not now be estimated but that it could be a "sizeable sum."

The Esquire Hotel, which has been offered for sale by the state as partial restitution for the more than one-million-dollars embezzled by Hodge, was valued by appraisers at \$660,000. What apparently scared bidders away, however, was a \$200,000 mortgage against the building, officials said.

Two bidders did qualify to purchase the hotel, which was among the assets Hodge turned over to the state, by putting up a \$10,000 "good faith" deposit with the Northern Trust Co. When professional auctioneer Jack Gordon called for further bids, no one spoke up. But Hodge's wife, Margaret, broke into tears, explaining, "It was my home."

Gordon, still trying for a bid, asked one of the qualifiers, Seymour Logan, a Chicago attorney, if he didn't know "when you put up the deposit that you would have to bid at least \$550,000?" Logan said he did but that no one had "substantiated" that figure, and Gordon postponed the auction until Nov. 21.

Meanwhile, Illinois Gov. William G. Stratton has declined to elaborate on his Sunday statement that the recent U. S. Senate committee hearings into the Hodge scandal were a "case of hillbillies from Arkansas and Alabama trying to tell the people of Illinois how to run their business."

Dallas Fires Rain-Maker

DALLAS, Tex. (AP) — The city of Dallas, beleaguered by the Southwest's billion-dollar drought, today told its hired rain-maker to quit — because there aren't enough clouds in Texas to make it worthwhile trying to seed them.

The city had employed Dr. Irving Krick of Denver since 1952. He sent planes up to seed clouds with silver iodide whenever there was a prospect of rain over the city's watershed. Dallas' water supply is down to 13,060 billion gallons, compared with 39,082 billion gallons at this time last year. The city uses about 70 million gallons a day.

City Manager Elgin Crull delivered the news to Krick that his \$35,000-a-year contract was cancelled by the City Council.

Killed by Train

TAYLORVILLE, Ill. (AP) — Mrs. Bonnie Neal, 48, Taylorville, was killed Monday when she drove her car into the path of a Chicago-bound Wabash Railway passenger train at a crossing here.

PART OF THE LARGE CROWD which was present Sunday at the 19th anniversary celebration at the Raleigh Baptist church. The Sunday school attendance of 254 exceeded the town's population of 250, and there were well over 300 in attendance during the afternoon. The celebration also was in celebration of the beginning

of the fifth year by the pastor, the Rev. Howard Todd Taylor, who was presented with a new typewriter as an anniversary present. Revival services, conducted by Rev. Leroy Marvel, also were concluded and a baptismal service was held, the first for Rev. Marvel who is pastor of the North Williford Baptist church. Nine were bap-

tized from North Williford by Rev. Marvel and eight were baptized by Rev. Taylor. One woman present at the anniversary celebration, Mrs. Essie Musgraves, has been a member of the church for 65 years.

TB Association Urges Support For Tax Renewal

The Illinois Tuberculosis Association appealed to county residents to support the "Tuberculosis Care and Treatment Law" and the "Excess Tax Law" which will appear on the ballot on Nov. 6. The law has been in effect in Saline county for 18 years and it is now necessary to vote on them again.

The Illinois Tuberculosis Association stated that many people associate the sale of Christmas seals with the care and treatment of tuberculosis. This is not true. Since the average cost of one case of tuberculosis is approximately \$15,000, it would be impossible for Christmas Seals to even begin to cover the expensive cost of adequate treatment. The County Tuberculosis Association is primarily a case-finding organization. Other services it renders are: health education services to schools, industry, and the general public; rehabilitation services for tuberculosis patients; demonstration projects, participation in national and state medical research projects in tuberculosis, and many other civic and patient services aimed at the total eradication of the tubercle bacillus. The two tax laws are designed to furnish adequate diagnostic and laboratory aids for the tuberculous plus treatment in special tuberculosis sanatoria in Illinois.

The future of tuberculosis control in Saline county lies in the hands of the voters. These are not new taxes or a raise in taxes but only a continuation of those already in existence. Saline county rates as one of the highest in the state in tuberculosis. What good is it to find active cases of tuberculosis through mass chest x-ray services and tuberculin testing if we cannot offer these unfortunate victims adequate care and treatment? The county Tuberculosis Ass'n asks.

There will be two ballots on Nov. 6, one is for the care and treatment of tuberculosis and the other is for the Tuberculosis Excess Tax Law.

Jitterbugging is one art that has developed by leaps and bounds.

Thinking It Over

By Robert L. Dieffenbacher, D.D.
(Written for NEA Service)

When children begin to bring homework from school the assignments look much larger than they really are. The problems look so lengthy that youngsters want to delay completing their assignments until bedtime has arrived.

The work is quickly completed when they actually get down to business. After the homework is done children realize that it really was not bad.

Adults postpone many jobs around the home because the work appears to be much more difficult and tedious than the accomplishment is. As folks view the finished job in retrospect they realize that it was pleasant.

Most of the disagreeable tasks which we fear in all phases of our living are bad only in our imagination.

In reality we do not find many chores too difficult once we have started to do them.

Hesitancy and procrastination build up barriers to accomplishment. Such walls should be torn down for our own good.

Thousands of people "put off" their religious responsibilities because they feel that the moral and spiritual activities of life are less interesting than their pursuit of worldly pleasure.

Actually our spiritual duties toward God and toward our fellowmen are pleasant. After we have taken our first steps toward God we find the way easy and most satisfying.

The way away from sin is so gratifying that we want others to join us in the fuller life of doing God's will, without the delay which postponed our satisfaction.

Church Stamps Are Being Given by Local Merchants

An advertisement in today's Register introduces the Church Stamp Plan and the merchants participating in the program.

The Church Stamp Company was started in Mount Vernon, Ill., by Joe Dull, a Mt. Vernon business man. It has been adopted, not only in southern Illinois, but in many

states all over the country. Merchants give Church Stamps much in the same manner as other stamp plans operate, one stamp for each 10c purchase. There the similarity ends. Church Stamps are designed as an extra means of contributing to person's church, club, lodge, Girl or Boy Scout troop, 4-H clubs, community drives, P. T. A., and other favorite charities. A book of Church Stamps filled is worth \$2.00 in cash when turned in to a church or organization.

Don Newcombe
Discloses
Arm Trouble

TOKYO — Brooklyn Dodger pitcher Don Newcombe said today he hopes his ailing right arm which plagued him throughout the World Series would recover so he could redeem himself with Japanese fans before he returns home.

Newcombe disclosed that he injured his right elbow in the last game of the regular season against the Pittsburgh Pirates. He was knocked out of the box twice during the series and again in Ha-

wai and in Japan on the Dodgers' current exhibition tour.

Newcombe told United Press in a telephone interview from Sapporo, Hokkaido, northernmost Japan, he was not leaving for the United States for treatment.

"I am leaving it up to the trainer to see what he can do for me," Newcombe said. "I've had arm trouble a couple of times before."

An over-capacity crowd of 45,000 turned out last Sunday at Tokyo's Korakuen Stadium to see the National League 27-game winner start against an all-Japan team. They were shocked when Newcombe was knocked out in the first inning without getting a man out. He walked the first man and then allowed four consecutive hits, one of them a two-run homer.

IHSA Appoints
Five Cage Rules
Interpreters

CHICAGO — Five basketball rules interpreters, appointed by the Illinois High School Assn., met Sunday to receive instructions on interpretation of the 1956-57 rules.

The five are Frank J. Falzone, Rockford; Joe E. Frank, Champaign; Ernest Lieberman, Chicago; Ted Search, Chester; and M. F. Sprunger, Chicago. They will present the new rules at 19 meetings in various parts of the state during the first two weeks of November.

H. V. Porter, national basketball committee secretary, was in charge of the meeting.

A few of the new rules this year are:

1. The rubber or composition ball is legal and must be accepted if provided by the home team.
2. On a jump, the ball is alive as soon as it leaves the official's hand. The clock does not start until it is tapped.
3. If a technical foul is committed before the start of a period, the period starts with the assessment of the penalty.
4. Players during a free-throw or jump may not have either foot across restraining lines.
5. Throw-ins may not be made from directly behind the basket.
6. On free throws the first two alleys on each side of the lane must be occupied by the opposing team.
7. Goal tending is illegal on both offense and defense.
8. It will be a technical foul if a player grasps the basket ring or net.

Cincinnati Tops Annual UP
National All-Stars with Four
layers; Two from Cards

NEW YORK — Four players from the Cincinnati Redlegs, two each from the Brooklyn Dodgers, Milwaukee Braves and St. Louis Cardinals, and one from the New York Giants were named today to the annual United Press National League All-Star team.

The honor squad, selected by 61 sports writers from the various league cities, is one of the most powerful ever to be named. The hitters batted in a total of 751 runs this past season and drilled a total of 228 homers.

Hank Aaron, the National league batting king from Milwaukee with a .328 average, led the balloting with a total of 58 out of 61 votes. Another outfielder, Duke Snider of Brooklyn, was next with 49 votes and catcher Ed Bailey from Cincinnati ranked third with 48.

Name Utility Star

Because of unusual circumstances, the United Press for the first time selected a utility all-star, Stan Musial of the Cardinals. Musial received a total of 18 outfield and 16 first base votes. This combined total would have put him ahead of rookie Frank Robinson of Cincinnati, who had 29, and first baseman Ted Kluszewski of Cincinnati, who had 32. Since Musial played both positions, he was designated as a utility member of the team.

Red Schoendienst, veteran second baseman for the New York Giants, who has been a perennial member of the team, was selected for that spot with 31 votes, while Roy McMillan of Cincinnati was named at shortstop with 30 and Ken Boyer of St. Louis at third with a total of 44 votes.

The pitchers were Don Newcombe of Brooklyn, who had 47 votes, and Warren Spahn of Milwaukee, who totaled 38.

There was a big turnover from last year's All-Star team. Only Snider, Kluszewski, Schoendienst, Musial, and Newcombe were repeaters.

Musial RBI Leader

Musial was the leader of the squad in runs batted in with 109 and Snider set the homer pace with 43. There were six 300-plus hitters led by Aaron's .328. Musial was at .310, Boyer .306, Kluszewski and Schoendienst .302, and Bailey .300 even. Snider hit .290 and Robinson .292, leaving only McMillan as a batting "weakling" but his .263 average was more than offset by his spectacular fielding. Besides Musial, both Kluszewski and Snider topped the 100 RBI mark, Klus with 102 and Duke with 101. Boyer just missed with 98 and Aaron had 93.

Newcombe with a 27-7 won-lost record was the biggest victory man in the majors and Spahn with a 20-11 mark recorded his seventh season at 20 or more victories.

There was only one close race for a position. That was at shortstop, where McMillan beat Ernie Banks of the Cubs by four votes.

Looking At Sports

By BILL MELTON

Three "You Pick 'em" contestants tied for top honors in last week's little game, each with an 8-1 record.

Crowding into the winner's circle were three Harrisburg men—Bud Hamby, Ira Stille and Charles Nelson.

Again there was a tie game—Mt. Carmel 7, Carmi 7—which no one called. Hamby's lone miss was in selecting Pinkneyville over Carbondale and Nelson and Stille both picked Cairo over Benton, but Benton was a 26-20 winner.

For the first time in the three or four year history of "You Pick 'em" we had an entry from Texas. Had an entry from Darwin Valtier, 5410 Woodview, Austin, Texas. It was postmarked Oct. 18 and marked "Fly It." Don't know when it arrived as I was away from The Register Friday and Saturday, but was here Sunday morning when I checked in.

There has been a tie game in practically every week's list of games. The champion of champions will be the guy that picks a tie game. Just waiting for that to happen.

Games for this week's "You Pick 'em"—

Carmi at Fairfield
Harrisburg at Wood River
Marion at Centralia
Metropolis at McLeansboro
West Frankfort at Herrin
Benton at Mt. Vernon
Sparta at Anna
Chester at Murphysboro
Western at SIU
College football, 2 p. m. Saturday.
Cairo at Eldorado
Game of the week.

Name _____
Address _____
City _____

To play "You Pick 'em," just look over the above list of ten football games to be played this week end. Circle the name of the school you think will win and for the last game listed, "the game of the week," predict a score. Then sign and either bring or mail to The Daily Register sports desk so the entry is received or postmarked not later than 5 p. m. Friday, Oct. 26. That's all. No box tops, no entry fee and if you win NO PRIZE. Just fun. Get in the game.

Figuring percentage wise, Ronnie Vick of Harrisburg has done just perfect in his specialty—place kicking the extra point after TD. Vick hasn't missed this season. A TD is the same as 7 points for the Bull Dogs.

A new, specially created Rose Bowl trophy will be presented to the winning coach in the Rose Bowl football game Jan. 1, it was revealed today by General Mills, makers of Wheaties which is awarding the trophy.

The bowl will be made of crystal and on the side of the bowl is engraved a football action scene. The bowl is insured for \$8,000. Twenty-two crystal punch cups will be presented along with the bowl.

In case of a tie score, the Rose Bowl trophy will be presented to the coach whose team rolls up the greater total yardage.

Bull Pups Lose
To Herrin, 25-0

The Harrisburg Bull Pups dropped a 25-0 decision to the Herrin freshman-sophomore football team at Taylor Field last night.

Herrin led but 6-0 at halftime, putting across three last half tallies.

Herrin scored on the first play of the game when McSpadden raced 60 yards to score.

In the third period Doughty plunged four yards to score and a pass, Grindle to Ward, was good for the extra point.

The two last-quarter touchdowns came on one-yard drives, by Seville and by Grindle.

The Bull Pups will be idle next week before meeting West Frankfort here in two weeks.

Beltz Named to
New State Board

Louie Beltz, assistant principal and athletic director at the Harrisburg Junior high school, has been elected to a newly created seven man board to regulate and correlate all inter-school activities of Junior high schools throughout the state of Illinois.

Membership of the board includes three members of the Elementary Principals Association, one member from the Southern Illinois and another from the Northern Illinois Athletic Associations of Junior High Schools and also a member from each the Northern and Southern Band Associations of Junior High Schools.

The board will supervise all inter-school activities, including athletics, band, vocal music and debating.

Mr. Beltz represents the Southern Illinois Junior High School Athletic association.

A meeting of the board is scheduled for Nov. 18-19 in Champaign.
